INTERVIEW SUMMARY UNDER MPEP 713.04

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

In response to the Interview Summary mailed on August 1, 2007, the following is the Applicants formal written statement of the substance of the interview in compliance with MPEP 713.04. On July 26, 2007, the Applicants representative, Jon Gibbons had a telephonic interview with Examiners Leonard Weinstein and Anthony Stashick. Discussed was the amendment of July 20, 2007 and the position of the auxiliary compressor is down in the hole with the primary compressor not above the hole as taught in Grant. Also discussed was the flow pattern of gas within the downhole compressor with reference to FIG. 3 of the instant application. The Examiner agreed to take such information under advisement. No further agreement was reached.
